

How much can you do with your ZenshiAI credits?

What can you do with \$20 a month?

Your ZenshiAI subscription includes 1,000,000 credits. To give you an idea of that allowance, you could use it to:

- Draft approximately 200 business emails, including follow-ups, customer replies and sales introductions.
- Create approximately 100 blog article drafts of around 1,200–1,500 words each.
- Turn approximately 60 documents of around 3,000 words each into concise summaries.
- Draft approximately 400 individual social media posts with suggested captions and hashtags.
- Create approximately 70 proposal drafts of around 1,500 words each, using information you provide.
- Draft content for approximately 10 short ebooks of around 10,000 words each, including an outline and chapter drafts.

NOTE: *Choose a mix of these activities to suit your business. Each example illustrates using the allowance primarily for that activity; the quantities are not added together.*
